NOTES FOR DDCI

13 April 1964

25X6

1. At Presidential instigation, representatives of various agencies are trying to come up with an agreed NSAM directing establishment of controls and limitations of U. S. assistance to [redacted] in the strategic weapons field. So far, the group which is meeting to draft the NSAM is having trouble with language. Ray Cline is representing the Agency and is trying to remain as aloof as possible as this is almost totally a policy matter.

✓ 25X1

[redacted]

4. Critchfield advises that the Bureau for Near East Affairs in State has satisfied itself about [redacted] and he encountered no great problems in his discussions with [redacted] about this.
